As discussed at the November Council Meeting Benjamin Denton, Jasper City Attorney, proposed changes in his compensation structure beginning January 1, 2022. Denton has not contacted the PERA administration to determine if he is even eligible for PERA benefits. If the city was to not accept this new contract and needed Denton in the future, \$5,101 would be payable up front plus the hourly rate of \$120.00 taken from the \$5,101 and any unearned part of the \$5,101 is non-refundable.
